

TOWN OF  
**PINEDALE**  
WYOMING

**DEMOLITION PERMIT APPLICATION**  
69 PINEDALE S ROAD, PINEDALE, WYOMING 82941-709  
PHONE: (307)367-4136 FAX: (307)267-2578

A Demolition Permit is required for residential or commercial property prior to demolition of a fixed structure connected to water and/or sewer services within the Town of Pinedale.

**Fee**

Fee is determined by resolution, refer to [www.townofpinedale.s](http://www.townofpinedale.s) or contact the Town for the fee.

**Application Requirements**

- Completed Demolition Permit application.
- Site Plan or sketch of lot and utility locations
- (provided on 8-1/2" x 11" paper)
- Signatures from the utility companies that the utility was properly disconnected (signature line provided on application form).
  - o Rocky Mountain Power (Pacific Power): 888-221-7070
  - o CenturyLink (Phone & internet): 800-201-4099 (general) or 800-849-2476 (buried cable locating service)
  - o Pinedale Natural Gas: 307-367-4427
- Inspections required: sewer and water cap off (in horizontal at the property line). Notify the town (307-367-4136) at least one day prior to inspection. Inspections will be performed Monday-Friday 8:00am – 4:00pm.

**Notes**

- It is the applicant's responsibility to submit the Department of Environmental Quality Asbestos Notice, if required. Further information can be found at [deq.wyoming.gov/aqd/asbestos](http://deq.wyoming.gov/aqd/asbestos).
- No on-site burning or burying of debris is permitted.
- A fire extinguisher shall be available at times during demolition.
- Dust control shall be the responsibility of the permittee.
- Call One Call of Wyoming before your dig at least two business days before you intend to dig (800-849-2476) or (811). Can also call for utility locations (free, must provide descriptive locations).
